Below the logo is a breadcrumb trail: Home > Courses > Agricultural Education > Career Dev. > Enrol me in this course > Enrolment options. The main heading is "Enrolment options". Underneath, there is a section for "Career Development Events" with course creator and teacher information. A note states: "This site contains practice materials for a variety of CDE events. See an advisor for the enrollment key." Below this is a form for "Self enrolment (Student)" with an "Enrolmentkey" input field, an "Unmask" checkbox, and an "Enrol me" button. At the bottom, it says "You are logged in as Andrew Espinosa (Log out)" and the Moodle logo is centered.

## Step 5:

You should now have access to all of the Forest Lake FFA CDE Practice Materials. Scroll down to find the event that you are preparing for. Links to past state tests and practicums are found at the top.

The screenshot shows the Moodle course page for "Agricultural Education > Career Dev.". On the left is a "Search forums" box with a "Go" button and an "Advanced search" link.
